Re: ECDC Clay Mine (M/015/062) Annual Report for year 2005

Dear Mrs. White:

As per State rule: R647-3-116 and R647-4-121, please find enclosed the annual report for the referenced mine. Also included is a site vicinity map. This map shows the location of the clay mine and includes a legal description.

The mine is currently active, however no mining activity has taken place since summer of 2000. Currently there is approximately 45,000 CY of clay in a stockpile. The majority of this stockpile will be hauled off site beginning winter of 2006.

No reclamation has been completed during the reporting period. If you have any questions of need additional information please call me at 435-888-4418 x 22.

Sincerely,

Darin Olson
ECDC Environmental Manager
